PANCHAYAT RAJ & RURAL DEVELOPMENT (RD-II) DEPARTMENT

G.O.Ms.No.80

Dated 19.02.2010

Read the following:-

1. MGNREG Act 2005
2. G.O. Ms No 339 PR&RD (RD II) Department dated 07.11.2009

ORDER

The MGNREGA operates in a **rights based** framework and requires complete dissemination of the knowledge regarding the rights conferred on the rural poor under the Act. The scheme formulated under the Act confers **demand based** entitlements for all the rural households which demand the 100 days work. To ensure the above, there is need for complete transparency and public accountability in the implementation. However, it is found that disparities in rural social structures and inequalities in functional capabilities limit the rural poor in exercising the rights conferred on them by the Act. It is therefore found that education of the wage seekers about the rights and entitlements under the Act is a primary condition for proper implementation of the Act.

2. In order to mobilize the rural poor and empower them to fully use the entitlements provided by the Act, it was found necessary to undertake activities for awareness building and organization of rural poor. Such an activity can best be done by civil society involved in working on rights based themes. Accordingly, detailed meetings have been held with the rights based NGOs under the aegis of the 'GO-NGO collaboration' institutionalized by Government of AP in which an appeal has been made to these NGOs to collaborate in implementation of MGNREGA by organising the rural poor in to fixed labour groups. Based on this, several NGOs have come forward to collaborate with Government in the areas where they are currently operating to ensure that the provisions of the Act are implemented as intended.

3. After careful consideration, Government exercising the powers conferred on them by Section 23 (3) of MGNREGA which empowers the State Government to determine the arrangements to be made for the proper execution of the programmes under the Schemes and to ensure transparency and accountability at all levels in the implementation of the Schemes, hereby order that the rights based Non Governmental organizations (NGOs) who came forward to collaborate with Government for improving implementation of MGNREGA and listed in the **Annexure** be constituted in to a AP **NGO Alliance (APNA)**. The partners of APNA are expected to work on the following areas in MGNREGA:

- a) To **strengthen the fixed labour groups (FLGs) formed of SC/ST SHGs as per G.O. 339** in the following manner:
 - i) To verify if all the SC/ST SHGs in the area allotted have been formed into fixed labour groups (FLGs) or not; and to form additional groups where necessary.
 - ii) To check whether they have been allotted works worth Rs. 2 lakhs per groups or not. If not allotted, inform the same to the District Collector and PD DWMA for immediate rectification
 - iii) To verify whether all necessary works on the natural resources with the poor have been considered & included in the shelf of projects or not. If not, identify all such works and furnish to MPDOs concerned under intimation to District Collector & PD DWMA for immediate sanction. For approval of these works, if necessary, there shall be special ward sabhas.
 - iv) To monitor the progress of each of these FLGs so that their resource base is developed for producing sustainable income over long periods.
 - v) To facilitate meeting of the FLGs once a month to share experiences.
 - b) In case, there is demand for creation of similar fixed labour groups (FLGs), to facilitate their formation - provided that the job seekers come from poor SHG households.
 - c) To **train the FLGs** so formed on the rights and entitlements under the Act; and to educate them about the process for securing the entitlements of the Act.
 - d) To ensure that the demand for work is registered as per the provisions of the Act & receipts are issued.
 - e) To play the role of an **Observer in the social audits** being conducted by social activists under the aegis of Society for Social Audit, Accountability and Transparency (SSAAT) & give feedback directly to SSAAT and Commissioner RD.
 - f) To undertake **fact finding missions on complaints** on execution as entrusted by the Commissioner Rural Development and furnish reports direct to the District Collectors & Commissioner RD within 7days from the date of entrustment.
4. In order to have a continuous dialogue with the partners of APNA for improving the programme implementation, there shall be **monthly standing meetings** at mandal, district and state levels as per the following schedule:
- a) **Mandal level** meeting with the MPDO concerned – on the last Monday every month along with the field staff of NREGA. APO shall be convener of the meeting. Action shall be initiated on all issues raised in this meeting as per the provisions of the Act. The issues raised and the action taken by MPDO shall be recorded in a tabular format and shall be submitted in the District level meeting duly signed by the APO, MPDO and the NGO representative.
 - b) **District level** meeting with the PD DWMA – on every last Wednesday of the month (starting 24th Feb). PD DWMA shall review a) The progress of training of the FLGs and b) whether all the issues raised are

attended to at mandal level or not. The minutes of this meeting shall be sent to Commissioner RD before the State level meeting.

- c) **State level** meeting in the office of Commissioner RD – on every last Saturday of each month (starting 27th Feb).

5. The partners of the APNA are expected to meet the costs of the above activities on their own. There will be no grants from Government to the partners of APNA on the above activities. However, Commissioner RD shall defray the actual cost incurred in training the FLGs, attending the monthly meetings at the District/State levels and the costs for conducting fact finding mission. This cost shall be met from the NREGS administrative charges.

6. Commissioner RD is requested to constitute a cell in the office to follow-up on the issues brought out by the NGO partners. He is also requested to communicate copies of all G.O.s, important circulars and instructions issued on the programme implementation in Telugu directly to the partners of APNA for their information.

7. A copy of this order is available on the Internet and can be accessed at the address: <http://www.rd.ap.gov.in>.
